Application Serial No. 09/981,685

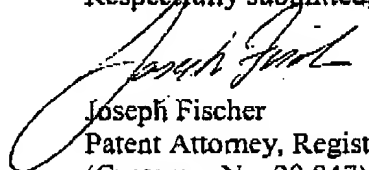

REMARKS

The word "of" has been added to claims 10 and 12, as shown above. This word was inadvertently deleted from claims 10 and 12 when presenting claims in the Response of May 21, 2004. However, these words, "of" in claims 10 and 12 as shown as added words herein, were in fact in claims 10 and 12 in the listing of claims provided in the Response mailed December 10, 2003. Thus, the amendments of claims 10 and 12 herein are to present the claims in the previously accepted form as of entry of these claims in the December 10, 2003 listing of claims. No new matter is added.

The word "a" has been added to claim 14, as shown above, as this word was inadvertently omitted and is needed to clarify claim term. No new matter is added.

Also, it is noted that the word "a" properly precedes the words "promoter sequence" in claims 10, 12, 14 and 16. Due to typographical error, although these "a"s should have been underlined as additions in the Response of May 21, 2004, they were not. It is respectfully requested that this previous inadvertent error in underlining these "a"s be acknowledged, along with the proper acceptance of these words in the claims as presented herein. No new matter is added.

Respectfully submitted,

 4 January 2005
